

# BROOKLYN

Inspired by one of New York's most creative neighbourhoods, BROOKLYN makes a strong statement. Choose between opal or smoke coloured glass to match your home.

Meet the designer

**Monika Mulder**

*I have created the LARRY series with the intention of giving people the opportunity to create a luxury hotel feel at home. Its neat and stylish design fits both in your private home or in the public environment.*

*To create depth in a room, it's important to have many different light points. Therefore, I designed a whole series that can meet many of the needs of the home.*

## Quattro

Quattro is a great pendant to place over your table or anywhere in your kitchen. The opal coloured glass brings a great atmosphere to any room.

## BRING OUT THAT GLAM

This table lamp has such a dreamy design.  
Find your favourite in either silver, black or white.  
The velvet shade really is the perfect finishing  
touch that makes this lamp shine.

## ZENIT

Joakim Thedin has designed a great bathroom lamp. The small size is great for a bathroom where space is limited. It comes in both chrome or black with opal glass with IP44.

## Bathroom Crystal

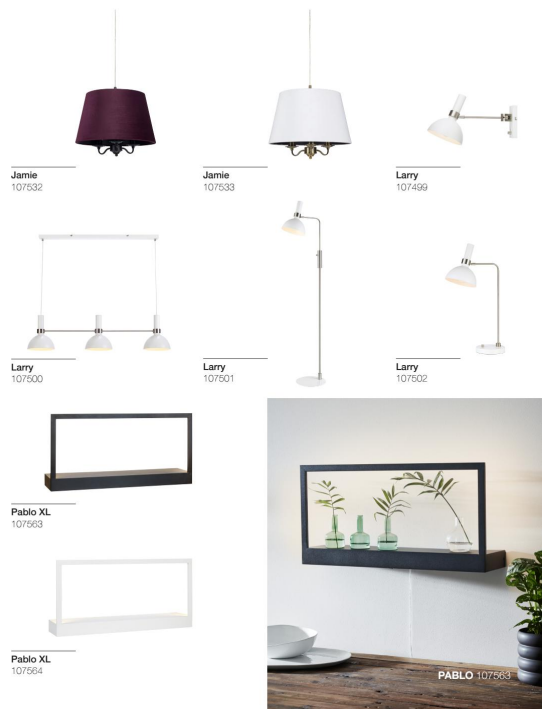

Make your bathroom sparkle with our new crystal chandeliers that are designed for use in bathrooms with IP44.
