Modern LED panels are some real must-haves and deliver efficient lighting results. The bright, atmospheric and glare-free lighting of the ALPHA luminaire is all-round contemporary and provides light for well-being and work. Straight-lined and unobtrusive in its form, the luminaire in matt black adapts to many furnishing styles. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
