

Wall lamp

BALDO – 200600132

excl. 1x E27 · max. 40W

- Cable switch
- Slewable
- Wallmounting
- IP20
- Lamp(s) not included

BALDO's minimalist design is an impressive wall luminaire. The reduced design language creates a timeless and harmonious atmosphere. The pivoting arm offers the highest possible flexibility with its 150 cm reach, so that the BALDO can even replace a pendant lamp above the table or a floor lamp next to the sofa. The fabric shade has a diameter of 28 cm and emits a pleasant soft light. In addition, the wall lamp is fitted with a cord pull switch, making it easy to turn it on and off. The simple design in matt black in combination with the black fabric shade leaves a lot of scope for further colour tones and facilitates integration into existing living concepts. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.

Material construction

Metal · Black mat
Fabric · Black

Product dimensions

Width: 28cm
Height: 28cm
Weight: 1,39kg

Technical data

Light source: excl. 1x E27 · max. 40W

operating voltage: 230V ~ 50Hz
