

Wall lamp

ARINO – 224819132

incl. 1x SMD LED, 13,5W · 1x 1500lm, 3000K

- Up and Down lighting
- Dimmable via switch
- Wallmounting
- IP20

ARINO embodies the modern living style of today. The stylish combination of wood and metal increases the cosiness factor and also sets luminous accents. An integrated SWITCH dimmer allows the light intensity to be adjusted. Due to the indirect radiation of the light upwards and downwards, the wall lamp can be used as atmospheric accent lighting. The metal element in matt black combined with the light wood creates a modern environment. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Black mat

Product dimensions

Width: 35cm
Height: 12cm
Weight: 0,705kg

Technical data

Light source: SMD – LED (integrated)
Watt: 13,5W
Lumen: 1x 1500lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 36000H
Switching cycles: 36000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20

Dealer information

EAN Code: 4017807502787
Customs number: 94051190900

Packaging dimensions & weight

Quantities: 1

Width: 37cm
Height: 13,5cm
Depth: 11,5cm
Weight: 0,960kg
