Clear shape, exciting colour! The pendant lamps of the CHIRON series exude elegance and a very special flair! The pendant luminaire is made of aluminium and is ideal for decorative as well as practical purposes. It looks particularly good above the dining table or in an entrance area with high ceilings. The modern colour combination black-brass matt refines every living space in a unique way. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
