The luminaires of the CHARIVARI series captivate with their elegant design and functionality. The table lamp also creates a cosy atmosphere and serves as a decorative element. Furthermore, the lamp has an integrated dimmer, so the brightness can be individually determined according to your needs. The matt nickel colour design ensures easy integration into existing furnishing concepts. The lamp also features a modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.
