excl. 1x E27 · max. 40W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**
- **Adjustable in height**

The CALIMERO pendant luminaire can do more than just hang there! The modern material mix creates a stylish and cosy atmosphere. The many small apertures in the lampshade create a pattern of light and shade that adds decorative lighting accents to your home. The pendant luminaire comes into its own in a dining or living room above the table, in a high corridor or in a staircase with spiral stairs. The lampshade is made of a metal louvre in matt black and together with the wooden details it results in a modern vintage look. The use of an LED light source is recommended for energy-saving lighting. These are an excellent alternative to conventional halogen lamps and represent a high quality of light together with energy savings of up to 80%. With LED lighting, you also benefit from a long service life and low heat generation, while at the same time protecting the environment.
