The BOLIVIA arc lamp creates an atmosphere of coziness and well-being in your living area thanks to the combination of shape and material. The modern and elegant lamp with its textile shade will become the highlight next to your sofa and at the same time provide perfect and atmospheric lighting. The floor lamp can be conveniently switched on and off via a foot switch. The colour combination according to the motto Black meets Gold looks elegant and noble and becomes a special eye-catcher with great lighting effect. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
