Set special accents in your home with the ALBERT series. The table lamps in an unusual look are also true highlights when switched off. The matching fabric shade, which is on a ceramic base in the shape of a bust, creates a cozy and subtle lighting with a smile factor in the youth room as well as in the bedroom or living area. A cord switch also makes it convenient to turn the light on and off. The eye-catching color scheme of the head in antique silver and the matching textile shade in white make the lamp a modern living element that will delight. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
