The table lamp ABBY appears in a modern ceramic look. Stylishly designed, the lamp convinces with its fabric shade, which provides a beautiful accent lighting. Placed on the night table or on the chest of drawers, the lamp is a decorative eye-catcher when switched on or off. The ceramic lamp in antique nickel is in combination with the fabric shade in gold / black a stylish furnishing element. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
