Table lamp

ADAM – R51041080

excl. 1x E14 · max. 10W

- **Switch**
- **IP20**
- **Lamp(s) not included**

The clear lines and the reduced design of the ADAM table lamp bring a calm and harmonious environment into your home. As a reading light on the desk or as an accent light on your chest of drawers, the light comes into focus and provides atmospheric accents. The switch on the luminaire head ensures convenient switching on and off. The colour combination of the lamp in matt black and matt brass conjures up a touch of grace in your living area. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · black–gold

Product dimensions

Width: 14cm
