

Ceiling lamp

## ATRIA – R67041000

incl. 1x SMD LED, 16W · 1x 2000lm, 2700 – 6000K

- Remote control
- Integrated dimmer
- Light color infinitely variable
- Night light
- Not suitable for external dimmer
- Starlight effect
- Wall- & ceiling mounting
- Memory function
- IP20

Simple design – practical functions! The modern ATRIA ceiling light features an impressively simple design and offers a wide range of possible applications. To create a completely individual lighting scene, the light colour and light intensity of the light can be easily adjusted by remote control. When correctly positioned, the ceiling light becomes an absolute eye-catcher in any living room thanks to its eye-catching Starlight cover. With its simple white design, the ceiling light easily blends into existing interior design styles and can be combined with other colours. The light also features modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly. ☑☑

### Material construction

Plastic · White

### Product dimensions

Height: 7cm  
Diameter: 38cm  
Weight: 0,785kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 16W  
Lumen: 1x 2000lm  
Kelvin: 2700 – 6000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz  
Protection grade: 1  
IP classification: IP20

### Dealer information

EAN Code: 4017807477146  
Customs number: 94051140900

### Packaging dimensions & weight

Quantities: 1  
  
Width: 41cm  
Height: 41cm  
Depth: 8,5cm  
Weight: 1,090kg
