Ceiling lamp

CARUS – R67213332

incl. 1x SMD, 16W · 1x 2300lm, 3000K

incl. 1x SMD, 8,5W · 1x 1300lm, 3000K

- **Separately switchable**
- **Not suitable for external dimmer**
- **Wall- & ceiling mounting**
- **IP20**
- **Not dimmable**

A timeless design with clear lines and elegant form language defines the CARUS ceiling lamp. The charismatic luminaire enriches your home with its simplicity and versatility and creates optimal lighting conditions. Another special feature of the ceiling light is the separately switchable light surfaces. Depending on requirements, the outer luminaire ring, the inner luminaire surface or both can be switched. In the simple colour black matt, the luminaire fits into almost every interior style. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Plastic · Black mat
